LOWEST PRICE GUARANTEE

Our guarantee is simple! You always get the BEST QUALITY parts at the BEST PRICE! Show us the same brand part/item and style advertised in any current magazine, catalog or website and we'll match their current price, simple as that! This offer is available only at the time of purchase and applies only to stocked merchandise. This offer cannot be combined with any other offer. Tires, restoration services, kits, window glass, cores, reproduction batteries, certain engines, transmissions, used parts, special order parts and shipping and handling charges are excluded.

CLASSIC CHEVY GIFT CERTIFICATES

Can't decide? Classic Chevy gift certificates are the perfect gift.

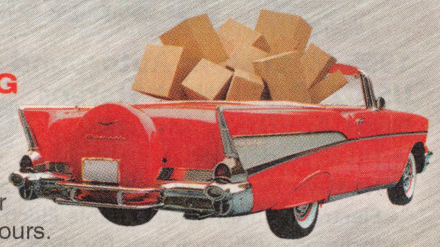

THE BEST PARTS AT THE BEST PRICE

More than just a slogan, Classic Chevy is committed to providing the highest quality parts at competitive prices. We select your parts exclusively from the world's leading brand name manufacturers to provide you technically correct parts of the very best quality. (Whether you need a single repair part or are undertaking a major restoration project).

YOUR SATISFACTION GUARANTEED

Part of our commitment to you:
If for any reason you are not completely satisfied with any product, simply return it for a full refund, credit or exchange, your choice.
No hassles.

SAME DAY PROCESSING ONLY $3.95

Classic Chevy standard order processing time for U.S. orders is 24 hours. CALL us Monday thru Friday before 1:00 p.m. (EST) and request same day processing, for just $3.95 we'll process all in-stock parts through the warehouse same day. Next day delivery is also available, ask your Sales Representative for details.

On all models except convertibles - if the front door crowds at top and is widely spaced at bottom near the center pillar. To correct this add shims at point "A" or reduce shims at point "B".

There are many times when simple door adjustments will not give a satisfactory door fit. In this case, body shims added or taken away at specific body mounts will solve the problem. The Tech Book **P/N 17-150** (see Manals & Literature section) includes a complete article that outlines where to add or take away shims to correct specific door fit problems by body style.

1955-57 Complete Power Front Disc Brake Kit

- Includes All Components To Convert To Power Front Disc Brakes
- Large Vented 11" Rotors
- Kit Includes Prebent Lines
- Installs With Simple Hand Tools

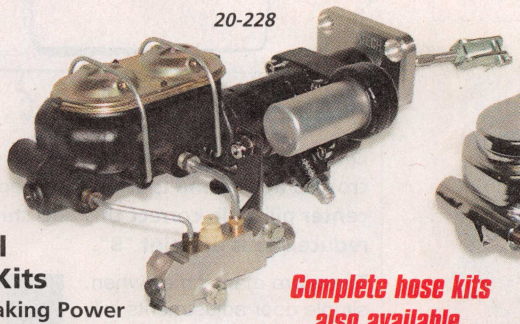

Installation Instructions
www.ClassicChevy.com

Are you ready for a huge improvement over original, unpredictable four-wheel drum brakes? If you are, then our complete power disc kit is for you. Our comprehensive kit includes: Large 11" vented rotors, single piston calipers, caliper brackets, pads, hoses, lines, 8" dual diaphragm power booster, dual master cylinder, proportioning valve and bracket, bearings and all hardware needed to install. Spaces the wheels out 7/8" closer to fender on each side. Just bolt-on with our easy-to-follow instructions, add fluid and go. Owners of 1957's with original 14" steel wheels will need to use an aftermarket wheel or P/N 10-300 wheel in order to clear the disc brake calipers.

1955-57 Front Disc Brake Calipers

- Replacement Loaded Calipers
- For Use With Our Front Disc Brake Bracket Kit P/N 20-28

20-225 — 119.99 pr.

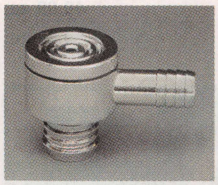

Installation Instructions www.ClassicChevy.com

1955-57 2-Inch Dropped Spindle Kit

- Lowers The Front 2-Inches
- Maintains Stock Steering Geometry • Bolts-On
- Maintains Original Wheel-To-Fender Spacing

Uses our disc brake kit P/N 20-101 or rotors P/N 20-126. Cannot be used with stock drum brakes. This kit includes a pair of spindles, caliper brackets and bracket hardware.

21-103 — 497.99 kit

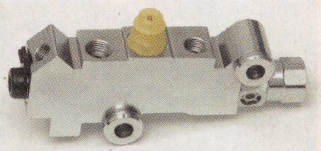

1955-57 Chrome Power Brake Booster Check Valve

- Custom Upgrade
- Fits All Boosters Except Original Treadle-Vac

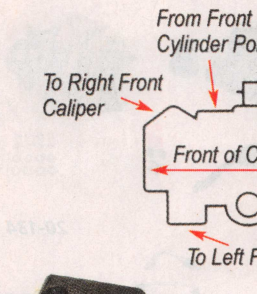

20-162 — 10.99 ea.

1955-57 Chrome GM Style Brake Proportioning Valve

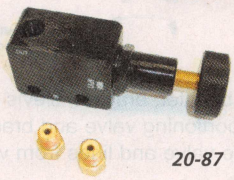

- Custom Upgrade
- Replaces All GM Style Proportioning Valves (P/N 20-32) • Bolts-On

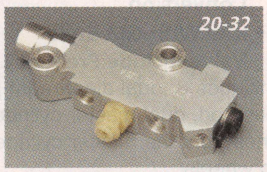

20-32C — 79.99 ea.

20-32 Diagram

20-87

20-32

1955-57 Proportioning Valves

- Required On All Dual Master Cylinder Installations
- Use With Disc & Drum Brakes

The proportioning valve is used between the dual master cylinder and the wheels to give even braking on all four wheels. Use the adjustable valve when extra fine tuning is required.

20-32	GM Style Valve	59.99 ea.
20-87	Adjustable Valve	54.99 ea.

1955-57 Proportioning Valve Brackets

20-135	1955-57 With Adjustable Proportioning Valve Use w/Disc Or Drum Brakes	339.99 kit

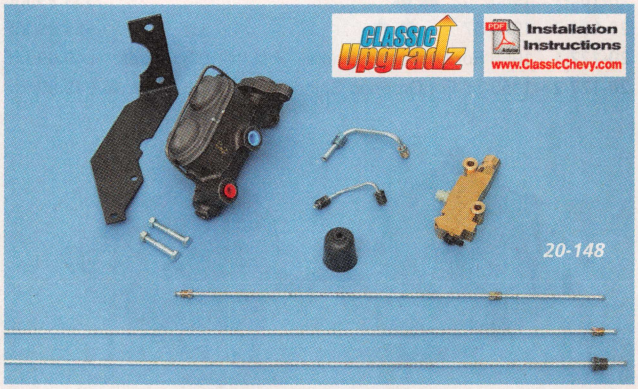

1955-57 Dual Master Cylinders

- Improved Safety Over Single Master Cylinders
- Brand New, Not Rebuilt

Original 1955-57's came with a small, single master cylinder. If that cylinder fails, all the brakes on the car fail as well. Installation of a dual master cylinder improves braking and safety dramatically. Requires use of proportioning valve and new brake lines.

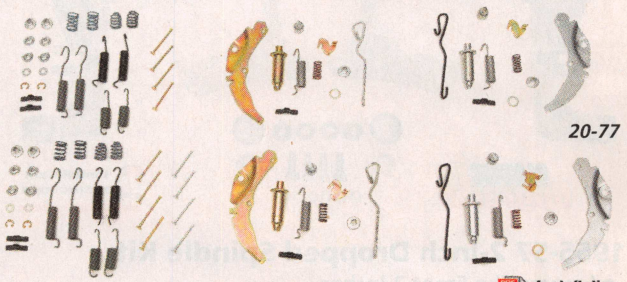

20-153	Non-Power Drums	49.99 ea.
20-151	Power Drums	49.99 ea.

1955-57 Dakota Digital Dash Kits

Dakota Digital

- All LED Readouts
- Several Colors Available
- Fits Stock Dash Bezel

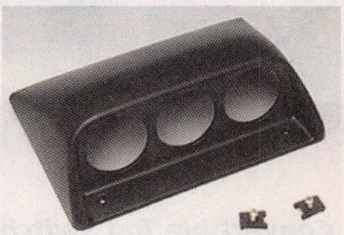

Bring your early Chevy into the new millennium with these vacuum fluorescent digital dash kits from Dakota Digital. These kits include a digital speedometer, bar and digital readout tachometer, oil pressure readout, water temperature readout, fuel, temperature and voltmeter readouts, turn signal and high beam indicator. The odometer includes an internal trip odometer. The speedometer is easy to calibrate to any driveline combination. Includes the electronic control box and necessary senders. Easily installed in cars with stock or updated wiring harnesses. Does require some cutting of the stock underdash wiring harness. Fits in your stock dash bezel. For automatic transmission cars, order the optional indicator sender to activate the built-in transmission indicator. (Cluster housing not included).

53-351	Smooth	45.99 ea.

How To Order Your Custom Steering Wheel:

1. Steering Wheel - Choose the style of steering wheel you wish to purchase for your classic.

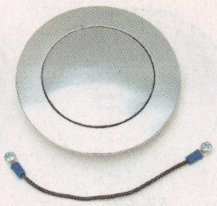

2. Horn Button - Choose your horn button. If you like the exposed installation screw look, choose a "Small" horn button. For a smoother look that completely covers the center of the wheel, choose a Large horn button.

3. Leather Half-Wrap - After choosing your wheel and button, it's time to pick the wrap (unless you are buying a "Solid" wheel). The wrap is firm leather covering that attaches to the wheel on the face side. Wraps come in several colors, so choose one to match or complement your interior colors.

4. Adapter - You're almost done! All that is left is to choose the proper adapter for your steering column. Adapters are available to fit all types of original and aftermarket GM columns.

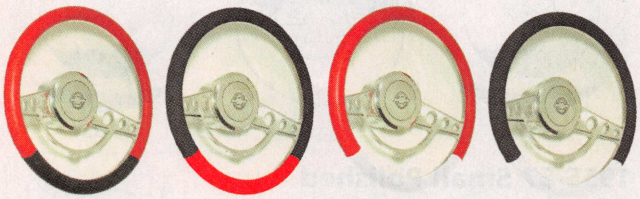

5. The last step: purchase and enjoy your custom steering wheel package!

13-100 1955-56 139.99 kit 13-101 1957 139.99 kit

13-15 Detail

The vertical window weatherstrip included in our kits are molded to the correct size, shape and contour to OEM specs!

13-09 Detail

Unlike the original wire retainers, our weatherstrip uses nylon push-in clips which are far easier to install and remove from the holes in the body.

13-18 Detail

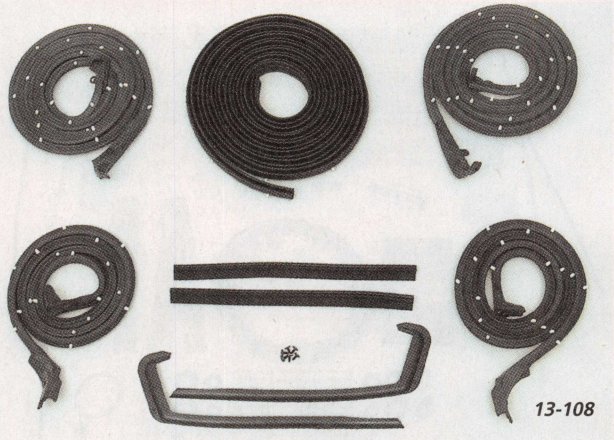

The J-shape weatherstrip is placed on the forward door jamb near the upper hinge to channel water down into the inside of the door and out the bottom. The EPDM used in our J-shape weatherstrip is low petroleum so the glue will secure the rubber to the door properly.

13-104 Detail

Molded ends and corners are vulcanized in place for correct fit and maximum durability.

Save Up To 10% By Buying A Kit!

Door/Grommets/Bumpers & Plugs

One of the many items that seems to cause confusion among Classic Chevy owners is the location of grommets, bumpers, and plugs. This month's Tech Help article will educate you on this subject! Nearly all of the grommets, bumpers, and plugs are now available for Classics. These items are available either in kit form or sold separately. The following pages contain diagrams showing the locations and part numbers of all of the grommets, bumpers and plugs that we carry.

The purchase of a firewall forward and a body grommet set will cover most all of the grommets, bumpers, and plugs required except glass, steering and accessories grommets. The following is a breakdown of the contents of those kits. If you need other grommets, bumpers, plugs, drain tubes, or seals that are not contained in these kits, they must be purchased separately.

Body Grommet Set Contents

1955-57 Big Block Engine Installation Kits

- Bolt-On Big Block Power
- No Firewall Modifications Necessary
- Use Your Stock Steering Linkage

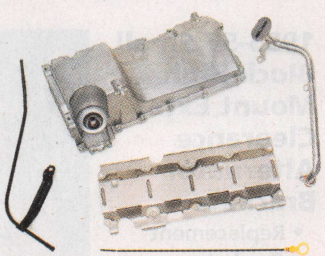

Installation Instructions www.ClassicChevy.com

Our kits include the brackets and hardware needed to install a big block Chevy engine in your 1955-57 passenger car. Our bolt-in kit moves the engine forward 2-1/4" to allow the use of tall valve covers and a HEI distributor. This kit requires the use of a short water pump. The radiator must be moved to the 6-cylinder position in front of the core support top bar. Does not include rear transmission crossmember P/N 19-03.

18-200	Automatic	399.99 kit
18-209	4-speed	419.99 kit
18-211	Forward Brackets Only	169.99 kit

18-501

207-103

1955-57 Powermaster 140 Amp Alternators

- Replacement Parts
- Internally Regulated
- Will Not "Overcharge" Battery
- 140 Amp High Output
- Use On Custom Cars That Need Additional Charging Capacity

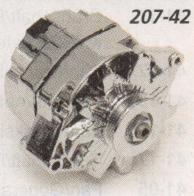

18-254	Natural Finish 3-Wire	189.99 ea.
18-255	Natural Finish 1-Wire	189.99 ea.
207-103	Chrome 3-Wire	159.99 ea.
207-104	Chrome 1-Wire	159.99 ea.

1955-57 Alternators

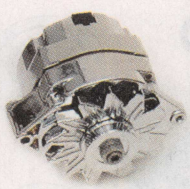

- Replacement Parts
- Updates Your Charging System
- 70 Amps Output

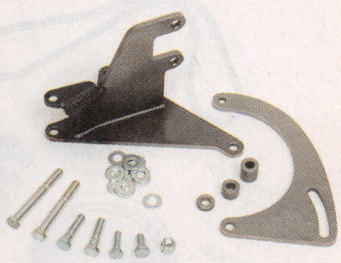

Original generators very often can't keep up with the addition of electronic accessories so common on today's classics. An alternator will upgrade your system and keep your battery fully charged. Use the internally regulated alternator if you wish to retain the stock indicator light. One-wire alternators will not operate the indicator light. For Wiring harnesses, see pages 242-250.

1957 Front End Seal Location

#03-26 Air inlet sleeve
fits joint between forward and rear air duct both sides.

(7F)

#05-17
Inner fender air duct seal. Fits the hole in the inner fender that forward air duct passes through to prevent squeaking. Installs originally with six staples each side.

Included in #03-22
Rear air duct to firewall seals, glued to the firewall on both sides.

#03-21
Air inlet hose to blower motor. The flexible duct between the inner fender duct and the blower motor on deluxe heater cars.

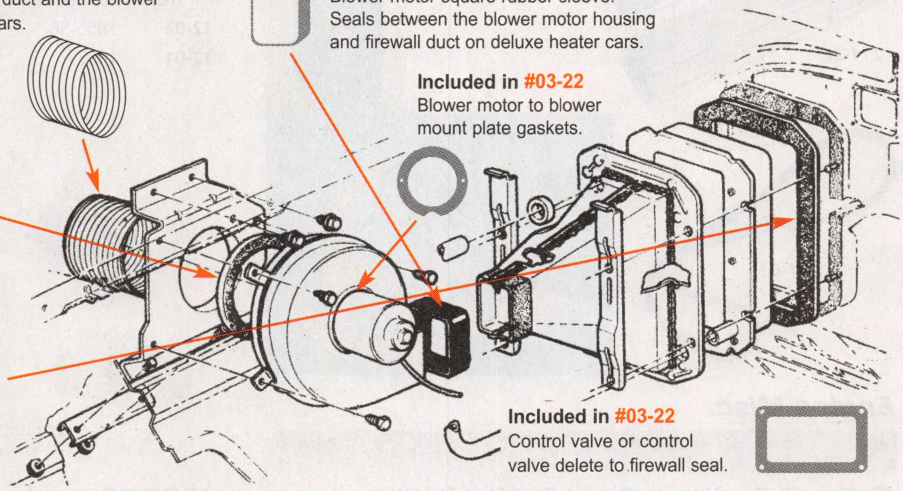

(7G)

Included in #03-22
Blower housing to inner fender bracket seal on all deluxe heater cars.

Included in #03-22
Firewall to firewall plate seal. On deluxe heater cars, it goes between the heater car bracket and firewall. On standard or no-heater cars, it goes between the firewall plate and the firewall.

#05-30
Blower motor square rubber sleeve. Seals between the blower motor housing and firewall duct on deluxe heater cars.

Included in #03-22
Blower motor to blower mount plate gaskets.

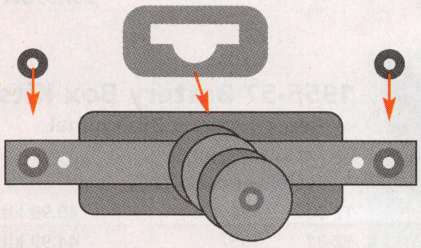

Included in #03-22
Control valve or control valve delete to firewall seal.

#05-20 Wiper drive seals
The small circular seals are installed behind the drive on outer attaching holes to seal against the firewall. The large center seal installs wide side down behind the drive to seal between the drive and firewall.

(7H)

Rear view. The center drive is installed wide side down.

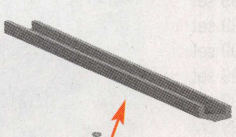

Hood to cowl seals

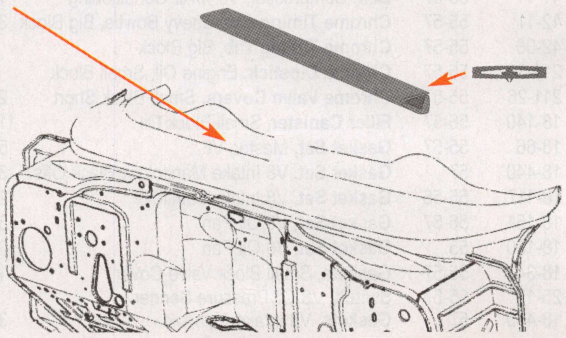

#13-01 1955
Uses nine push-in clips (included) to attach to the top of the cowl.

#13-03 1957
Uses five screw-in retainers (included) to attach to the top of the cowl. The phillips screw and clip traps seal to the top of the cowl at five locations. Trim the ends of the seal once installed.

#13-02 1956
Uses eleven push-in clips (included) to attach to the top of the cowl. Install with the open side to the rear and the wide side down. The clips are installed inside pushed through the rubber into holes in the cowl. The clips are covered by the top flap once installed. Trim the ends of the seal once installed.

Tech Tip

Quickflow or turbo? *Both types of mufflers will give you improved performance on the street. For a more mellow exhaust note, choose turbo. For a louder, more commanding tone go with Quickflow*

Calyx® Exhaust Manifold Dressing

To keep your cast iron exhaust manifolds looking concours-prepared perfect, use Calyx® Manifold Dressing. It applies with a flannel cloth and polishes to a silver shine in seconds. Application of the dressing does not require removal of the manifolds. Calyx® Manifold Dressing will not burn and is non-toxic. One container, 3 ounces, will do 3 sets of cast iron exhaust manifolds.

1955-57 Interior Package Kits

- Reproductions Of Original
- Specify Color When Ordering

The non-convertible kits include: seat covers, pre-assembled door and side panels, carpet, headliner, sunvisors, kick panels, package tray and windlace. The convertible kits include: seat covers, pre-assembled door and side panels, carpet, top boot, sunvisors, kick panels and windlace. Interior side panel stainless is not included, must be purchased separately. Nomad and wagon kits include the rear wheel well covers and cargo side boards, but not the cargo floor linoleum. For all 1955 Nomad and 1956 Bel Air interior orders, you must send your cleaned front armrest bases to Classic Chevy or purchase new bases along with your kit.

1955-1957 VIN Numbers (Vehicle Identification

Vehicle Identification Numbers

This stainless steel plate is spot welded to the driver's side "A" pillar post. It is 7/8" wide and 3-1/4" long. It contains four valuable pieces of information.

A.

One or two letters are stamped. If there are two, the first letter will always be a V. V designates a car equipped with a V8 engine. The other letter identifies the series of the car (Bel Air, 210, 150).

6-Cylinder	V8
A - 1500 (150 except Delivery)	VA - 1500 (150 except Delivery)
B - 2100 (210)	VB - 2100 (210)
C - 2400 (Bel Air)	VC - 2400 (Bel Air)
D - 1508 (Sedan Delivery)	VD - 1508 (Sedan Delivery)

B.

Two numbers are stamped. These numbers designate the year of the car.

55 - 1955
56 - 1956
57 - 1957

C.

A single letter is stamped. This letter designates the Chevrolet assembly plant where the car was built. This plant may differ from the Fisher plant listed on the cowl tag.

A - Atlanta, GA
B - Baltimore, MD
F - Flint, MI
J - Janesville, WI
K - Kansas City, MO
L - Los Angeles, CA
N - Norwood, OH
O - Oakland, CA
S - St. Louis, MO
T - Tarrytown, NY

D.

This group of numbers represents the serial number of the car. Lets use VIN example VC55N063921 we can calculate about when the car was made. Go to table 1 for 1955 cars and then to the Norwood (N) line our serial number is 0063921 or 63921. The last car built in Jan 1955 was 55388 and the last car in Feb 1955 was 68985. So, our car was built sometime in February 1955. This information is especially helpful when trying to locate properly dated engines, rear ends, glass, etc for your restoration.

This is our best how-to-tech manual. It is full of useful tech help articles on all topics of restoring and modifying your classic. It includes step-by-step photos and text, diagrams, facts: it's all here! The book is indexed in two easy to use loose leaf binders with tabs for each section. All current updates are included with each new set of manuals. New updates may be purchased each year as they are added. The book also includes articles on 1958-72 cars and trucks. 1000+ pages,11-1/2 x 11-1/2, loose leaf bound, 2 volumes.

17-150 **129.99 set**

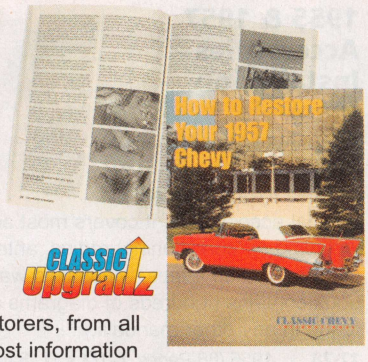

Chevy Tri-Five Custom Interiors Book

The first in a series of books featuring the work of Ron Mangus, well-known for award-winning custom hot rod interiors. This book features four, two-page photographic spreads for beautiful, custom, award-winning 1955, 1956, and 1957 Chevy hot rods. Detailed photographs of the interior features accompanied by Rons captions explain the ideas behind the interiors - the design process, color and material selections, unique features, challenges, sound system solutions, and some of the creative problem-solving needed to work out the design. Soft cover, 160 pages, 8-1/4" x 10-7/8", perfect bound.

17-216 **29.99 ea.**

How To Restore Your 1957

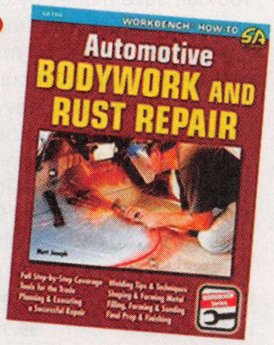

This book follows, documents and photographs the complete restoration of a 1957 convertible and a 1957 hardtop. It is full of original details, restoration and painting procedures, all from the frame up. An excellent resource for all classic restorers, from all original to customizers. Most information also applies to 1955-56 cars and all other body styles as well. It includes hundreds of B/W photos and helpful diagrams. 232 pages, 8-1/2 x 11, perfect bound.

17-19 **26.99 ea.**

Bodywork & Rust Repair Guide Book

NEW

In Automotive Bodywork and Rust Repair, veteran Matt Joseph shows you the ins and outs of tackling both simple and difficult rust and metalwork projects. This book teaches you how to select the proper tools for the job, common-sense approaches to the task ahead of you, preparing and cleaning sheet metal, section fabrications and repair patches, welding options such as gas and electric, forming, fitting and smoothing, cutting metal, final metal finishing, including filling and sanding, the secrets of lead filling, making panels fit properly, and more. It also includes a comprehensive resource guide. Whether you want to tackle a full restoration project, or just want to save money by doing minor repairs yourself, Automotive Bodywork and Rust Repair is the book to get you through it. 160 pages, 8-1/2 x 11, softbound, 450 color photos.

88-0379-1 **27.99 ea.**

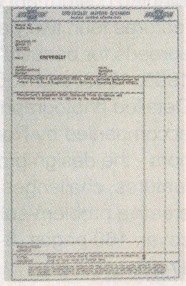

1957 Engineering Features Book

Auto Wiring & Electrical Systems Book

NEW

Author Tony Candela explains how to complete popular wiring projects, such as adding late-model electronic accessories and convenience items to earlier-model cars, installing relays, designing and assembling multi-function circuits and harnesses, and much more. With this book in hand, you will be able to assemble, design, and build single- and multi-function circuits and harnesses, troubleshoot and repair existing circuits, and install aftermarket systems and electronics. Automotive Wiring and Electrical Systems is your essential guide for wiring a hot rod from scratch, modifying muscle car electrical circuits for cooling fans and/or power windows, or adding a premium stereo and other conveniences to modern performance cars. 144 pages, 8-1/2 x 11, softbound, 350 color photos.

88-0379-1 **27.99 ea.**

1955-57 Restoration/ Judging Guidelines Manual

This manual fully explains the 1000 point CCI judging system along with sample judging sheets, class breakdowns and explanations. Includes all frame, suspension, mechanical, body and option components. Also included are full details on what the original color and finish was on all parts of a classic. A must for anyone building a restored car or those that plan on showing at a CCI event. 220+ pages, 10-1/2 x 11, loose leaf bound.

Griffin RADIATOR

1955-57 Griffin Aluminum Cross-Flow Radiator Kit

CLASSIC Upgradz

Installation Instructions
www.ClassicChevy.com

- The Maximum Cooling Money Can Buy
- Replacement Radiator
- 2 Rows Of Horizontal 1-1/4" Tubes Gives Best Cooling Possible
- Increased Surface Area Over Down-Flow Radiators
- Bolts In The 6-Cylinder Position To Stock V8 Or CCI Tubular Core Supports
- Built-In Transmission Cooler With Fittings In Stock Bottom Tank Location
- Powerful Dual 10" Electric Fans
- Kit Includes: All-Aluminum Radiator W/Cap, Dual Fans W/Shroud, Fan Relay & Wiring Kit, Overflow Tank, Air Conditioning Condenser For 134A Refrigerant
- Requires Hoses P/N 18-26 & 18-308

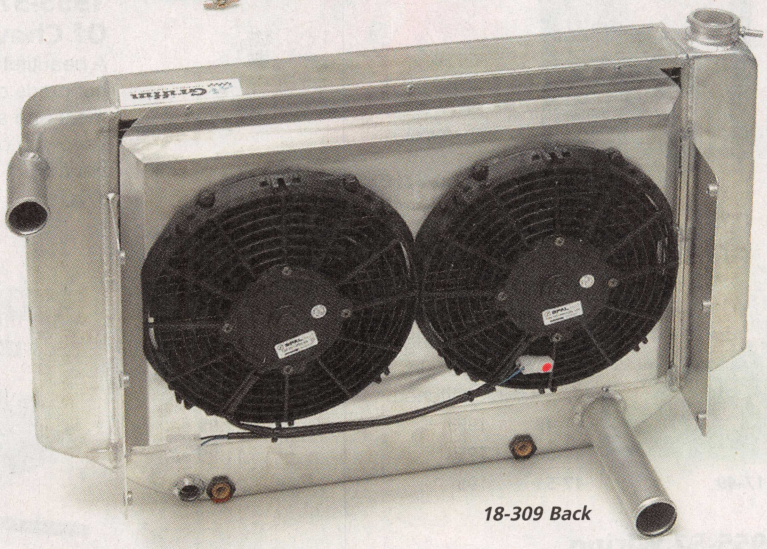

This Chevy crossflow radiator kit will solve all of your cooling dilemmas. The radiator itself is made from 2 rows of 1-1/4" horizontal aluminum cooling tubes custom made for Classic Chevy by the best name in the business; Griffin Radiator. Cross-flow construction gives far greater cooling surface area than traditional down-flow radiators. The construction of this radiator will cool down the hottest small block or big block Chevy engine. The radiator core, straps and tanks are welded together for maximum durability. Automatic transmission cooling line fittings are in the stock location in the bottom tank, so readily available cooling lines may be used. No need for you to have any custom parts made! This complete kit includes a pre-mounted air conditioning condenser compatible with Vintage Air and other aftermarket air conditioning systems. Powerful dual 10" electric fans totaling 2780 CFM are secured to the back of the radiator with an all-aluminum shroud. All components are pre-mounted for ease of installation. Mounting is easy; just bolt the unit to a stock or tubular V8 core support. The unit is flanged so that it is positioned in front of the core support top bar. Use molded radiator hoses P/N 18-26 & 18-308 for a finished look except for LS and LT engines. Our Chevy Griffin aluminum cross-flow radiator kit is sure to keep your classic cool, no matter the displacement or horsepower!

1955-57 Aluminum Down-Flow Radiators

18-336

- Excellent For Solving Those Overheating Problems
- Features 2 Rows Of 1-1/8" Tubes w/15 Fins Per Inch
- Includes Integral Transmission Cooler & May Be Used With Automatic Or Manual Trans.
- All-Welded Aluminum Construction
- Includes Petcock, Overflow Tube & Sending Unit Bung
- A Good, Less Expensive Alternative To Our "Best" Griffin Radiators

18-336	1955-57 V8 Position	389.99 ea.
18-337	1955-56 6-Cylinder Position	389.99 ea.
18-338	1957 6-Cylinder Position	389.99 ea.

1955-57 Griffin Aluminum Down-Flow Radiators

- Cools Down Even The Hottest Engines
- All Aluminum
- In-Line Construction For Best Air Flow

Our radiators are available in two series: Pro and HP. The Pro series features large 1" diameter cooling tubes for normal to moderate cooling needs. The HP series features 1-1/4" diameter tubes for greater cooling needs. V8 position radiators (flanges on radiator point to the front) mount behind the upper core support bar on stock V8 core supports. 6-cylinder position radiators (flanges on radiator point to the rear) mount in front of the upper core support bar on stock 6-cylinder core supports. These radiators bolt to a stock core support or CCI's tubular core support. Uses stock or aftermarket radiator cap.

1955-57 Griffin Aluminum Cross-Flow Radiator Engine Fan Shroud

- For Use With Engine Driven Fans & Radiator P/N 18-310
- Will Work With Fans Up To 17" Diameter
- Bolts-On

18-316 — 159.99 ea.

1955-57 ABS Fan Shrouds

18-139

- For use with All Down Flow Radiators

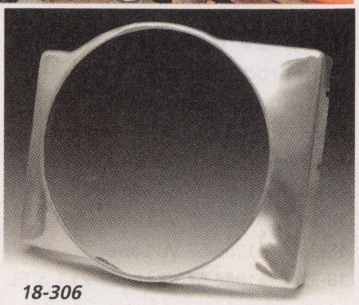

These plastic fan shrouds are designed to improve engine cooling by improving airflow across the radiator when using a water pump (not electric) driven fan. Installs between the radiator mounting flanges and the core support.

18-108	V8 Position	104.99 ea.
18-139	6-Cylinder Position	104.99 ea.

1955-57 Aluminum Fan Shrouds

- Greatly Improves Radiator Efficiency
- Durable Stamped Aluminum
- For use with All Down Flow Radiators

Our one-piece shrouds bolt in with no modifications needed to your radiator or core support. Some trimming may be needed on cars equipped with power steering and AC to clear pulleys and belts.

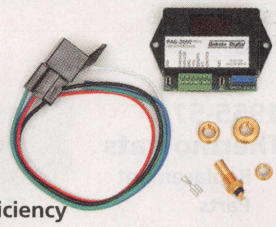

18-306	V8 Position	119.99 ea.
18-307	6-Cylinder Position	119.99 ea.

1955-57 Griffin Cross-Flow Dual Fan Relay & Wiring

- Use With Fans P/N 18-311
- Turns Fan On At 185 Degrees

18-312 159.99 kit

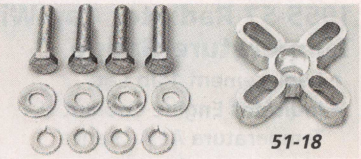

1955-57 Adjustable Electric Fan Controller

- Fully Adjustable To Turn Fan On/Off At Desired Engine Temperature
- Helps Prevent Overheating, Improves Air Conditioner Efficiency
- Use With Any Electric Fan
- Includes Sender With Adapters For 1/2", 3/8", 1/4" And 1/8" Pipe

22-203 154.99 ea.

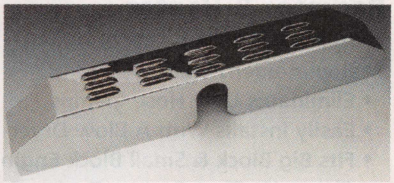

1955-57 Fan Spacers

- Fits Between Water Pump Pulley & Fan
- Required On Cars Equipped With Late Model Power Steering
- Aluminum With Steel Hardware

51-18	1/2"	18.99 ea.
18-320	1"	21.99 ea.
18-319	2-1/4"	26.99 ea.

1955-57 Custom Chrome Louvered Radiator Cover

- Custom Cover
- Easy Slip-On
- For All Downflow Radiators (Except 1957 6-Cylinder)

211-51 184.99 ea.

1955-57 Aluminum Radiator Support Bracket Kit

- Polished Aluminum
- Beautifies An Otherwise "Ugly" Area

This bracket kit with hardware replaces the original lower radiator core support cradle to frame hardware. Easy to install, does not require removal of core support or radiator to install.

54-93 26.99 kit

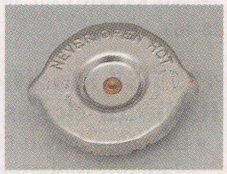

1955-57 17 lb Griffin Radiator Cap

- Replacement Cap
- Fits All Radiators

18-315 24.99 ea.

1955-57 Replacement 7 lb Radiator Cap

- Replacement Part
- Close To Original In Appearance
- 7 Pound Rating

18-31 12.99 ea.

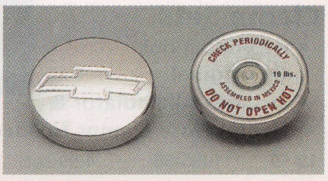

1955-57 AC 7 lb Radiator Cap

- Reproduction Of Original
- 100% Correct For Judging With AC 549 Stamping

18-179 39.99 ea.

1955-57 Aluminum Radiator Cap

- Polished Aluminum With Chevy Bowtie Logo
- 16 Pound Rating

209-90 31.99 ea.

1955-57 Radiator Cap With Temperature Gauge

- Replacement 16lb Cap
- Indicates Engine Coolant Temperature At A Glance
- Great To Double Check Inaccurate Dash Gauges/Indicator Lights
- Works With All Radiator Types Including Those With A Recovery Tank

18-335		39.99 ea.

1955-57 Powergrip Radiator & Heater Hose Shrink Clamps

Installation Instructions
www.ClassicChevy.com

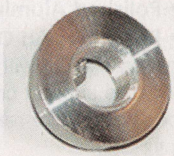

18-330

- Replacement Clamps
- Eliminates Ugly Hose Clamps
- Easily Installs With A Blow Dryer
- Fits Big Block & Small Block Engines
- Cleans Up That Custom Engine Compartment

18-330	5/8" Heater Hose	4.99 ea.

1955-57 Vintage Air Gen IV Electronic Servo Air Conditioning Units For Use With Griffin Cross-Flow Radiator And Serpentine Pulleys

- The Best Cooling Available For Your Classic
- Condensor Not Included
- Compressor Includes 7-Groove Serpentine Pulley
- Sure-Fit Systems From Vintage Air
- Includes Air Conditioning & Heater
- Works With Original Deluxe Heater Panel
- Use With Small Or Big Block V8

Our bolt-on air conditioning kit includes: evaporator, receiver/dryer, compressor, hoses, lines, vents, ducts, and all hardware. These kits do not include belts or pulleys, sold separately. You must supply your own serpentine-style compressor bracket. Simply remove your original heater system and bolt our unit and components in place. The in-car components fit up behind the dash. These are not "hang-on" kits. Our systems use HFC-134A refrigerant.

Which One Should I Buy?

Use the handy guide below to help choose the right power steering system for your classic:

1. The overall best aftermarket steering system you can buy. Includes all items needed to complete the installation. This kit will give you better steering and road feel than any other system on the market.
Major Advantage: Best steering and road feel.

2. A good second choice to the rack and pinion. It retains the original steering linkage and pitman arm. Road feel is second only to rack and pinion.
Major Advantage: Less expensive and fewer modifications to car required.

3.
Major Advantage: Same as #2 above.

4. Same as item #1 but does not include the steering pump, pump bracket or pulleys (you must supply).
Major Advantage: Best steering and road feel.

5. For use with factory power steering cars. Eliminates the stock generator driven pump.
Major Advantage: Eliminates leaky original pump, allows c onversion to alternator.

6. Most closely duplicates the original power-assist steering. Pump not included; must use an original pump or #5 above.
Major Advantage: Requires least amount of modification and looks close to original.

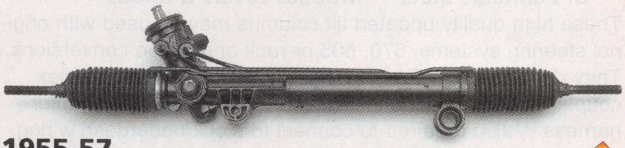

1955-57 Late Model Pump Kit For Original Power Steering

- Replacement Bolt-On Kit
- Installs New Style Pump For Use With Original Power Steering
- Allows You To Eliminate The Original Generator & Pump & Upgrade To Alternator
- Requires Use Of Harmonic Balancer That Accepts Bolt-On Pulleys & Double Grove Balancer Pulley

Tech Tips

When installing the 605, 670 or rack and pinion steering conversions, *a different set of alignment specs must be used to avoid wandering and over-sensitive steering feel:*

	1955	1956	1957
Caster Degrees:	+2-1/2 to 3-1/2	+2-1/2 to 3-1/2	+2-1/2 to 3-1/2
Camber Degrees: Pass-	-1/4	-1/4	-1/4
Driver-	0	0	0
Steering Axis Inclination Degrees:	3-1/2 +/- 1/2	3-1/2 to 4 1/2	3 to 4
Toe-In Inches:	1/8 to 3/16	1/8 to 3/16	1/8 to 1/4

1955-57 605 Box-To-Frame Bracket

- Use When Building Your Own 605 Box

Complete Front End Rebuild Kit Part #21-29

The most complete front suspension rebuild kit you can buy. After 75,000-plus miles, the front end on your classic will begin to show signs of wear. The symptoms will be unresponsive or sloppy steering, the front end may not sit evenly and you may experience unusual tire wear. Use this complete kit to rebuild all front ends except original power steering cars

Includes:

- **A.** (2) Greaseable Inner Tie Rod Ends With Seals
- **B.** (2) Greaseable Outer Tie Rod Ends With Seals
- **C.** (2) Tie Rod Sleeves With Clamps
- **D.** (2) Greaseable Upper Ball Joints With Seals
- **E.** (2) Greaseable Lower Ball Joints With Seals
- **F.** (1) Pair Stock Height Coil Springs
- **G.** (1) Pair Upper Control Arm Rubber Bumpers
- **H.** (1) Pair Lower Control Arm Rubber Bumpers With Threaded Studs
- **I.** (1) Front (Short) Idler Arm Bushing
- **J.** (1) Rear (Long) Idler Arm Bushing
- **K.** (4) Upper Control Arm Bushings
- **L.** (4) Lower Control Arm Bushings
- **M.** (1) Installation Instructions

1955-57 Complete Front End Rebuild Kits

• Replacement Parts

This kit includes the following parts to rebuild your front suspension and steering: coil springs, upper and lower ball joints, upper and lower control arm bumpers, inner and outer tie rod ends and sleeves, upper and lower control arm bushings.

21-29	All Except Original Power Steering	319.99 kit
21-130	With Original Power Steering	364.99 kit
21-132	Except Original Power Steering w/Urethane Bushings	354.99 kit
21-135	Original Power Steering w/Urethane Bushings	384.99 kit

Kits Same As Above Except With 2" Lowering Springs

1955-57 Classic Update Wiring Harness Kits

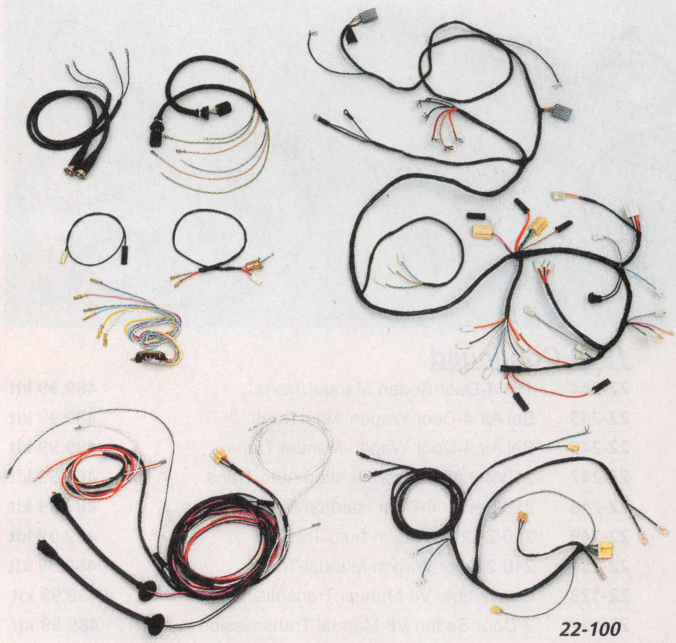

Installation Instructions www.ClassicChevy.com

- Complete Updated Wiring For Entire Car
- Includes ATO Fuse Panel
- Ideal When Building A Car With Custom Accessories

Our complete wiring kits include extra wiring capabilities for updates such as digital or custom dashes, updated wiper kits, air conditioning, late model steering columns, stereos and more. All wiring is color coded and labeled for easy, fool-proof routing and hookup. Includes all wiring, pigtails, ends, hardware and instructions. 1955-56 owners should also order the Classic Update backup light kit P/N 22-152 if backup lights did not come on your car. 1957 owners may use their stock backup wiring harness. This kit may be used on any body style and series.

What's Included?

Listed below are three of our more popular wiring harness kits along with complete breakdowns on the parts included with each kit:

22-100 Original Kit For 1955 2-Door Hardtop V8 Automatic Transmission

- **22-02** Headlight Connection Harness
- **22-04** Starter & Ignition Harness
- **22-09** Turn Signal Switch With Lead Wires
- **22-15** Dash Harness With Generator & Headlight Wiring
- **22-18** Heater Blower Wiring
- **22-19** Taillight Harness
- **22-20** Parking Light Harness
- **22-31** Clock Harness

22-118 Kit With Alternator For 1956 2-Door Hardtop V8 Automatic Transmission

- **22-02** Headlight Connection Harness
- **22-07** Starter & Ignition Harness
- **22-09** Turn Signal Switch With Lead Wires
- **22-29** Dash Harness
- **22-74** Headlight/Alternator Harness
- **22-33** Taillight Harness
- **22-20** Parking Light Harness
- **22-32** Clock Harness

22-134 Kit With Alternator For 1957 2-Door Hardtop V8 Automatic Transmission

- **22-43** Headlight Connection Harness
- **22-05** Starter & Ignition Harness
- **22-09** Turn Signal Switch With Lead Wires
- **22-14** Dash Harness
- **22-85** Headlight/Alternator Harness
- **22-25** Heater Blower Wiring
- **22-45** Taillight Harness
- **22-24** Parking Light (Grille bar) Harness
- **22-30** Clock Harness

Ultra-Ramps Plus®

- Accommodates Low Front Ends
- Accepts Wide Tires (Up to 9-1/4")
- 7-1/2" Lift Height

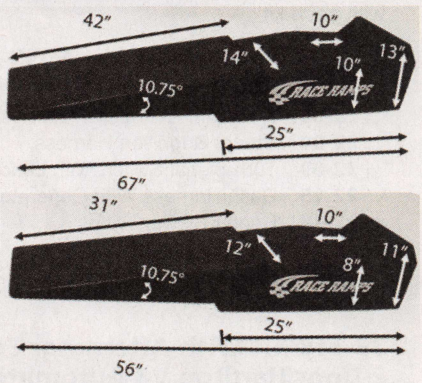

Ultra-Ramps Plus® Complete Lifting System features one-piece steel construction ramps along with traction gripper polymer extensions. The ramps have a front wheel stop to prevent over-travel and side rails to keep tires centered and heavy-duty v-brace for support. Accommodates 9,000 lbs G.V.W. per pair.

88-0150 79.99 pr.

Race Ramps

- Accommodates Low Front Ends
- Holds 1500 Lbs. Each
- Lightweight Polystyrene 1-Piece and 2-Piece Construction
- 2-Piece Design Allow Easier Side Access Under Car

Race Ramps allow you to get under your car quickly and safely. Race Ramps will not slide across your garage floor, dig into your asphalt driveway or scratch your painted floors. They will raise your car 8" and you never have to worry about rust. Another beauty of Race Ramps will accommodate tires up to10" in width. Race Ramps are lightweight, easy to transport and they are supplied with straps for easy carrying and you can use the straps to hang them on the wall when you're done.

88-0130	56" 1-Piece Design		199.99 pr.
88-0127	67" 1-Piece Design		319.99 pr.
88-0131	56" 2-Piece Design		229.99 pr.
88-0128	67" 2-Piece Design		329.99 pr.

Rubber Wheel Chock

- Works Alone Or With Any Race Ramp
- 6" Long x 4" High x 5" Wide
- Made Of Solid Rubber
- Extra Grip Bottom

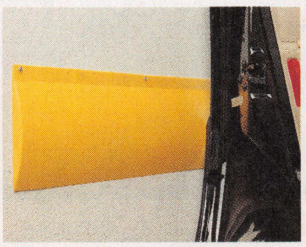

88-0125-1 17.99 ea.

Park Smart Parking Mat

- Eliminates Crashing Into Garage Walls
- Heavy-Duty Rubber Construction

88-0134-1 21.99 ea.

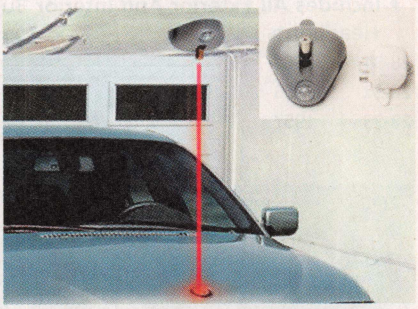

Park Smart Wall Door Guard

- Protects Car Doors & Garage Wall
- Easily Attached To Wall
- Mounting Hardware Included

88-0135-1 13.99 ea.

Maxsa Garage Laser Park

- Perfect Parking Every Time
- Installs In Minutes

Take the guesswork our of garage parking with the Maxsa Garage Laser Park. the unit automatically activates every time your vehicle enters the garage; just guide your vehicle into the ultra-bright laser beam and park in exactly the same spot time after time. Includes a 110 watt adapter.

88-0138-1 25.99 ea.

Flat Stoppers

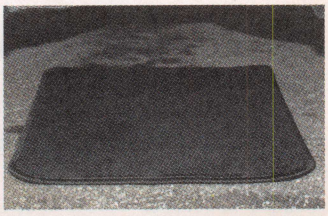

Cars that sit for months in one place will create flat spot tires, it's a fact. You can prevent tire flat spotting by placing Flat Stoppers underneath your tires to insulate them from temperature extremes. The special lightweight polystyrene construction eliminates uneven pressure points regardless of how long your car sits. Put an end to ruining expensive tires.

88-0122 Set of 4 269.99 set

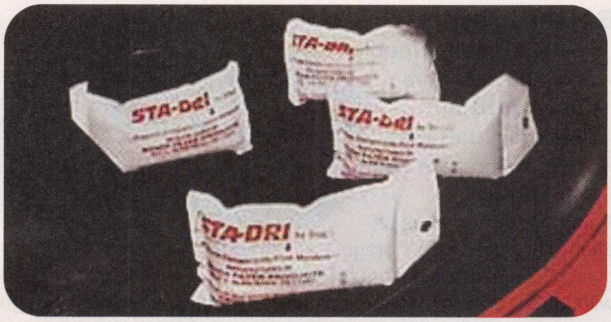

Garage Floor Oil & Fluid Absorber

- Perfect 18" x 24" Size
- Bound Carpet Mat With Marine Backing Helps Keep Floor Clean

Battery Mat

Mats absorb battery acid to protect the battery, holder and surroundings from corrosion. Mats are 8" x 12", trim to fit.

88-0100-1 — 5.99 ea.

NEW

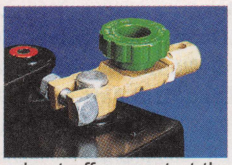

Computer Battery Saver

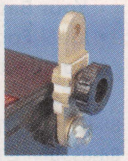

- Saves Memory Settings From Under The Hood
- Uses A Traditional 9 Volt Battery (Not Included) To Maintain The Vehicle's Memory

88-9995-1 — 19.99 ea.

Battery Quick Disconnect Switches

- Avoid Short Circuits And Battery Drain

Just twist the handy knob and cut off current at the battery. Simple switch installs in minutes and easily removes to return to original condition. Purchase bypass wire to eliminate hassle of resetting stereo and other ECM functions.

88-0334-1	Top Post Battery	9.99 ea.
88-0336-1	Side Post Battery	11.99 ea.
88-0337-1	Bypass Circuit for ECM/Radio Memory (Top Post)	3.99 ea.
88-0335-1	Bypass Circuit for ECM/Radio Memory (Side Post)	3.99 ea.

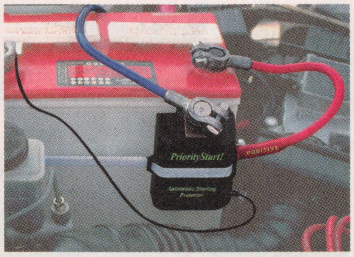

Side Terminal Battery Wrench

Ratcheting box wrench features an insulated handle and nickel plating for faster, safer disconnection.

88-0332-1 — 5.99 ea.

Priority Start

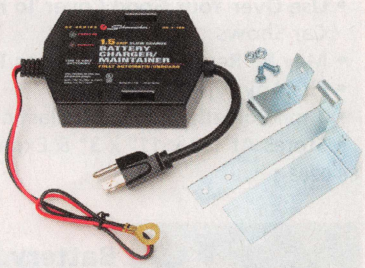

- Guarantees Battery Power For Starting
- Simple Installation 3 Easy Connections

Detects excess voltage drain – due to lights left on, door ajar, radio on, even short circuits – it automatically disconnects the load. When the key is turned on, it automatically reconnects the battery and your car starts. Priority Start is easy to install and is backed by a 3-year warranty. Priority Start fits both side post and top post batteries, hardware included.

88-0104-1 **69.99 ea.**

Schumacher Mity Mite On Board Battery Charger

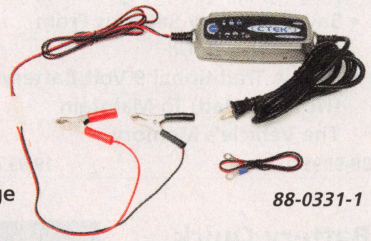

- For Cars Not Driven Daily Or During Winter Storage
- Compact, 1.5 Amp, 12 Volt, Automatic

On board charger keeps your battery strong during times of storage or non-use. When it gets a voltage drop of one, it activate and charges your battery to full strength. Shuts down automatically to prevent overcharging. On/Off charging indicator lights tells you what phase the battery charger is on. Two-year warranty.

88-0158-2 **53.99 ea.**

CTEK 800 & 3300 Battery Chargers

88-0331-1

- Provides Automatic Four-Step "Smart" Charging
- Will Never Overcharge Your Battery
- Ideal For Occasionally Driven Corvettes
- Compact & Weatherproof For In-Car Mounting
- Charges Lead Acid Batteries (Wet, MF, Gel & AGM)

88-0331-1 CTEK 800 Charges From 1-2Ah To 32Ah, 1.2-100Ah **53.99 ea.**

88-0330-1 CTEK 3300 Charges From 2Ah To 90Ah **74.99 ea.**

See Website For More Specs On These Products

12 Volt Automatic Battery Storage Float Charger

- Keeps 12V Battery Fully Charged Without Overcharging
- For Long Term Storage
- Provides Constant, Regulated Current To Keep Battery At Peak Capacity
- 1 Year Warranty

88-0329-1 **18.99 ea.**

Battery Tender

- Safe, Reliable, Trouble Free Battery Care
- Developed To Maintain Batteries Not In Constant Use Or Storage

Automatically switches off after fully charging to storage charge constantly monitors the battery without the damaging effects of trickle charging. The initial charge cycle of the Battery Tender brings a battery to a full charge at approximately 14.4 volts about 1.25 amps. After a full charge is reached, the Battery Tender automatically converts to a float charger and monitors the battery at 13.6 volts. Although there is a constant voltage of 13.6 volts being applied to the battery, it is doing so at very little or no current. What this means to the user is safe, reliable, trouble free battery care. Equipped with 6' power cord, and 6' output cord with clamps, 5 year warranty.

88-0160-1 **59.99 ea.**

Battery Tender Waterproof 800 Charger

- Charges Battery & Maintains Proper Storage Voltage Without Damaging Effects Caused By Trickle Chargers

The Battery Tender Waterproof 800 is perfect for outdoor use. Its circuitry is totally epoxy encapsulated so it will perform even while submersed under water. The unit packs 800 milliamps of pure charging power yet it is no larger than the size of a standard computer mouse. You can use Battery Tender anywhere in the world (100-240VAC 50/60 Hz) and the unit is reverse polarity protected, spark proof and it complies to international safety standards (UL/CSA/CE). Like all Battery Tenders, it has a microprocessor (brain) that controls the charging of each battery so that your battery doesn't get "cooked" the way conventional chargers can do. This lightweight unit weighs only 1 lb. and carries a manufacturers' 2 year warranty.

88-0161-1 **44.99 ea.**

Heavy Duty Air Compressor

- Plugs Into Cigarette Lighter
- Inflates Tires Twice As Fast As A Standard Compressor
- 7-Year Warranty

TruckAir delivers twice as much power and inflates twice as fast as a standard compressor. This compact unit will run 8 hours non-stop. The extra-long power cord makes it especially convenient for larger vehicles, and can be plugged right into your cigarette lighter! Rated at 275 PSI and comes in it's own rugged carrying case with inside storage space for all of it's components.

88-0162-2 **54.99 ea.**

Tire Inflator

- Plugs Into Cigarette Lighter
- 260 PSI

The fastest and most durable we've tested. Lightweight and protected in a heavy-duty case. Full Size motor and external fan for hours of non-stop performance. Includes gauge, 11-foot cord, on/off switch and light.

88-0163-2 29.99 ea.

Competition Tire Gauge

- Easy-To Read Gauge

This deluxe model has a hose fitting and features a quick bleed valve for quick pressure setting, 0-60 PSI.

88-0181-2 19.99 ea.

Gorilla Power 4-Way Extend Lug Wrench Tool

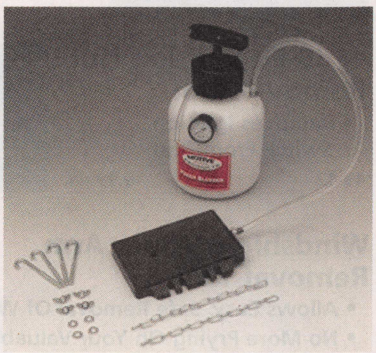

Use the wrench that provides 200% more torque than a standard lug wrench. The 21" telescoping handle extends for extra torque... collapsible for easy storage.
Includes two sockets for 17m/19m and 3/4"/13/16".

88-0156-1 24.99 ea.

Dual Master Cylinder Brake Pressure Bleeder

- Bleeds Brakes Like The Professionals
- Pressurized Brake Fluid Forces Trapped Air From The Brake System
- Fits All Dual Chamber Master Cylinders

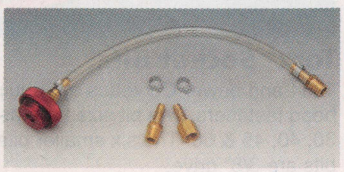

Finally an affordable and easy-to-use brake pressure bleeder for the do-it-yourself mechanic is now available. This tool uses air pressure to force brake fluid through the system during the brake bleeding process. Pressurized fluid forces all the trapped air in the hydraulic system out, providing the most efficient way to have a firm brake pedal. **This kit will work on any dual master cylinder and eliminates the need for a second person during the bleeding process.**

88-0309-1 79.99 ea.

Brake Pressure Bleeder Adapter

- Adapts Bleeder P/N 88-0309-1 To Work With Original Single Master Cylinder

49-83 1955-58 42.99 ea.

88-0167-1

Vacuum Brake Bleeders

Make brake bleeding a one man job. The vacuum reservoir draws air out of the caliper, collecting it and excess fluid for mess free operation. Step-by-step instructions included.

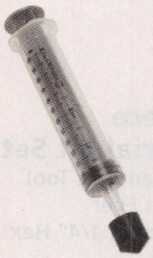

88-0166-1 Standard Bleeder 49.99 kit
88-0167-1 Heavy Duty Metal Bleeder w/Case 89.99 kit

Master Cylinder Bleeder Tool

- Removes All Air From Master Cylinder For Proper Braking

Simple to use and makes certain your master cylinder is ready to install. This tool takes less time and is a more effective way to purge the system of air.

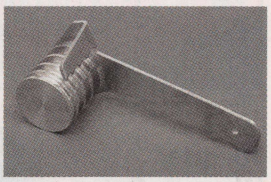

88-0363-1 14.99 ea.

Tube Bending Tool

- For Bending Brake & Fuel Lines
- Will Bend 3/16", 1/4", 5/16" & 3/8" Tubing

88-0113-1 15.99 ea.

Brake Line Double Flaring Tool

- Allows You To Shorten & Properly Re-Flare Brake Lines
- Hardened Bar Assembly With 1/4", 3/16", 5/16" & 1/2" Flaring Dies
- Will Also Flare Metric Tubing

88-0108-1 39.99 kit

Heavy-Duty Harmonic Balancer Puller Tool

- Properly Removes The Harmonic Balancer From The Crankshaft
- Four-Slot Heavy-Duty Yoke
- Fits Small Block, Big Block, 6-Cylinder & Other Engine Types
- Long 7-1/2" Center Screw Changeable Flat Or Pointed Tips

88-0110-1 26.99 ea.

175-Piece Socket & Wrench Set

This set is supplied in a 20-1/2" x 14-1/2" molded storage case with a convenient flip-out carrying handle. The wrenches are made of forged steel and the sockets have handy rapid access indexes. This set carries the tools most commonly used on your Classic.

88-0328-1 59.99 set

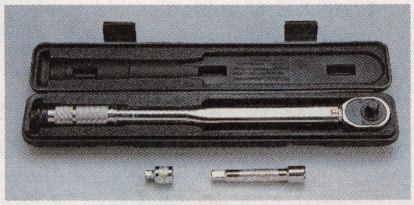

100-Piece Industrial Bit Set

- The Handiest Tool Bit Set Ever
- All Bits Fit 1/4" Hex Driver

88-0114-1 17.99 set

Torque Wrench Set

1/2" drive, reversible wrench features an easy to use clicker type register. Measures from 10 to 150 ft./lbs. or 1.4 to 20.7 m/kg. Includes a 4" extension, 1/2" to 3/8" drive adapter and molded plastic carrying case. Manufacturer's lifetime warranty.

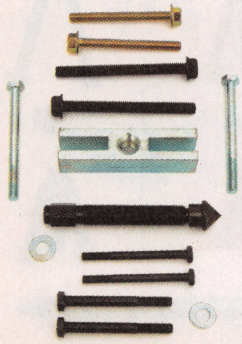

88-0155-1 44.99 set

10 Spline 1-1/8" Diameter Clutch Alignment Tool

- Allows Proper Installation Of Clutch Disc & Pressure Plate

88-0361-1 1-1/8" 26 Spline 4.99 ea.

Zymol Field Glaze

When your car needs a quick complete waxing or a touch-up between waxing. Simply mist a little on a clean car, let stand 30 seconds, and buff off with a cloth. Great way to remove fingerprints.

88-0231-1 8 oz **24.99 ea.**

Zymol Titanium Wax

Contains mixture of yellow & white carnuba for higher level of shine and protection.

88-0227-1 **77.99 ea.**

Zymol Carbon Wax

Great for medium and dark colored paint...37% carnuba for better UV protection.

88-0229-1 8oz **54.99 ea.**

Zymol Creame Wax

For lighter colored paint. 33% yellow carnuba combined with coconut and banana oils for that wet look.

88-0228-1 8oz **54.99 ea.**

Zymol Concours Glaze

For those who demand "show-car" gloss and depth of shine.

88-0226-1 8 oz **179.99 ea.**

Zymol Glasur™ Glaze

The Glasur Glaze contains 56% Brazilian Yellow Carnauba Wax (100% by volume), and other natural oils and ingredients to bring out your car's paint finish.

88-0230-1 8 oz **109.99 ea.**

Interpreter Service

Interpreter Service available for non-English speaking customers, call 1-321-269-9651 and ask for interpreter assistance.

Classic Chevy International, An Eckler's Company Accepts Credit and Debit Cards, Checks, Money Orders and C.O.D.

Classic Chevy accepts first party, preprinted checks from U.S. Banks with your mail order. **C.O.D.** method of payment applies only to shipments within the Continental U.S. Classic Chevy reserves the right to request a deposit on large orders. $9.95 C.O.D. fee will be applied.

Classic Chevy Gift Certificates

Let them make their own choice with an Classic Chevy gift certificate available in any denomination.

Return Checks Policy

A $25.00 returned check charge will be assessed for all checks returned for insufficient funds.

Limited Warranty

Classic Chevy will not be responsible for any damage or loss caused by delays, failures or other consequential damage, nor for labor, transportation or any other charges incurred in the replacement or repair of a defective item. Classic Chevy accepts no responsibility for any consequences resulting from installation of any parts.

Returns

To be eligible for return, the product must be in like-new condition, in original packaging and accompanied by a copy of the invoice. Special order parts are non-returnable.
Product must be received within 30 days of the date of the invoice to be eligible for a full refund. Products received within 31 to 60 days are subject to a 25% restocking charge. No returns allowed beyond 60 days of invoice date. All returns must be sent prepaid. It is suggested to insure the returned item for its full value to protect against loss. Allow up to 3 weeks from the date of shipment for processing refunds, credits and exchanges.

Package Protection Plan Rates

Eckler's allows total peace of mind by eliminating any hassle or risk in the event of loss or damage of parts during shipment. If a problem arises, call our Customer Service representatives for a quick resolution.

Up to - $100	.....	add	..... $.95

Visit The Eckler's Classic Chevy Showroom!

Located on U.S.1, between Routes 50 and 405

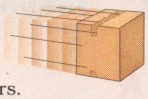

Showroom Hours:

Mon - Fri: 8:00 am - 5:00 pm (EST)
Saturday: 9:00 am - 1:00 pm (EST)

We Will Be Closed On These Days:

Memorial Day: Monday, May 30.
July Fourth: Monday July 4.
Labor Day: Monday, September 5.
Thanksgiving: Thursday, November 24, Friday November 25.
Christmas: Saturday-Monday, December 24, 25, 26.

Same Day Processing Only $3.95

Classic Chevy standard U.S. order processing time is 24 hours.
If you need your order processed same day, call us Monday thru Friday before 1:00 p.m. (EST) and request same day processing. For just $3.95 we'll provide special processing of all in-stock parts through the warehouse same day.

Next day delivery is available, see Express Shipping requirements below or call our Sales Representative for rates.

Need It Fast? Use EXPRESS SHIPPING!

Utilize Express Shipping, U.S. only, and have your order delivered the next business day or day after. Express Shipping is limited to in-stock, non-oversize items with a total order weight of less than 20 lbs.
Add $19.99 to Shipping and Handling Rates for two-day delivery.
Add $29.99 to Shipping and Handling Rates for next day delivery.

For next day delivery of oversize parts and heavier orders, call our Sales Representative for rates. Orders must be received by 1:00 p.m. EST.

Shipping and Handling Rates

Rates apply to ground service shipping within the 48 contiguous states, excluding truck shipped parts. Rates for Alaska, Hawaii and Puerto Rico may vary. International shipping rates are calculated on weights and dimensions, call for estimate.

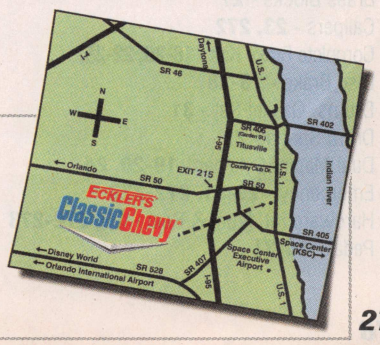

Orders up to $50.00	.....	add	..... $9.99
50.01 to 100.00	.....	add	..... 14.99
100.01 to 200.00	.....	add	..... 19.99
200.01 to 400.00	.....	add	..... 26.99
400.01 to 600.00	.....	add	..... 33.99
600.01 to 800.00	.....	add	..... 37.99
800.01 to 1000.00	.....	add	..... 41.99
Over 1000.00	.....	add	..... 45.99

▲ Symbol designates part has shipping surcharge due to heavy weight or oversize dimensions. Two symbols designates the part is a larger oversize 2 box. Add $8.99 to above Shipping and Handling Rates for each symbol.

FedEx Delivery Area Surcharge - $1.75 per package residential /$1.25 per package commercial addresses. Please note: One of the two applicable FedEx surcharges will be added to your shipping & handling charges for zip codes FedEx designates as less accessible or to less populated areas.

Prices Subject to Change

During the length of time our catalogs circulate, the price or availability of items sometimes changes without notice. While every effort is made to ensure accuracy, Classic Chevy is not responsible for errors or omissions in this catalog.
